

ALAIZA JOYCE L. BACULO

Computer Engineering Graduate

 21 Years Old

 October 31, 2003

 Monteverde, Socorro, Oriental Mindoro

 alaizajoycebaculo@gmail.com

PROFILE

I'm a passionate and curious computer engineering graduate who loves turning ideas into real, working systems. Being active in student organizations and leadership roles has also shaped me into a collaborative, adaptable, and purpose-driven individual.

EDUCATION

Primary Education

- Calubayan Elementary School (2010-2016)

Junior High School
